

## PAINTSVILLE.

## Held on Murder Charge—Wedding—Personal News.

—From Paintsville Herald—

Hon. C. J. Howes is here from Frankfort.

Sidney Webb's new residence is almost completed.

N. J. Auxier, a prominent lawyer of Pikeville, was here on business Monday.

Rev. Zephaniah Meek, of Catlettsburg, spent Monday and Tuesday here the guest of relatives.

The residence of Sott Desniet on Tom's creek was destroyed by fire last week.

Misses Belle and Maude Vaughan have returned from an extended visit to relatives at Howard Lake, Minn.

John C. C. Mayo returned Saturday evening from a business trip to Lexington.

A panther has been causing some excitement in the vicinity of East Point. The animal has been seen several times.

John C. B. Auxier, of East Point, has returned from Oklahoma, where he purchased a five hundred acre farm.

John E. Buckingham is rushing work on his new residence on Second street. When complete it will be one of the most palatial buildings in this section.

In addition to having two good mercantile establishments C. T. Rule has a fine little girl at his home. The little miss arrived last week and is well satisfied with her new home.

Lando Hill wanted in this county, was arrested by Detective Price and landed behind the bars Tuesday. Hill was arrested last winter but escaped from the officers having him under arrest. He was found in Morgan county, and was captured without difficulty. At Flat Gap nearly three years ago, Hill shot Jim Melvin. He escaped arrest and has been dodging since. He will be tried next week.

James McCoy, City Marshal, of Pikeville, arrived here this morning and returned home with Perry Wolford whom Detective Dan Price arrested here late Monday evening. Wolford has been bootlegging whiskey in the vicinity of Pikeville for some time and was badly wanted after answering to seven charges in the county court Uncle Sam will come around and remind Wolford of his failure to comply with the law. Whiskey selling will not be tolerated in a civilized community and the sooner the bootleggers learn this the better for them.

Mrs. Mary Ward has purchased a lot on College Street back of Third and will begin at once the construction of a residence for herself and family. Mrs. Ward lived opposite the house that was burned resulting in the terrible death of the Stafford family and since that fire she has not been satisfied to live in that neighborhood, fearing the same calamity might be visited upon her young family. Added to this is the fact that only about a month ago a lamp exploded in one of the bedrooms occupied by her children, and hard work was required to extinguish the flames and save her children from a terrible death.

Paintsville is to have a \$10,000.00 church building. This was finally settled Wednesday when the trustees of the Southern Methodist Church purchased the C. B. Wheeler property on the corner of Third and Court streets, one of the most desirable locations in our city. The consideration is not known. Architects are now submitting plans for the building and within the next month all the details will be settled and it is probable the foundation will be constructed this winter that the walls may be constructed in the early spring. The building must be completed by August 1st, as the West Virginia conference of the Southern Methodist church convenes here in September. Mr. John C. Mayo has contributed \$5,000 with the understanding that the membership raise an equal amount. The Women's Home Mission Society is pledged for \$1,000, and the membership will experience but little trouble in raising the balance, in fact more than half of the amount is already pledged.

A movement has been under headway for some time to unite the two branches of the Methodist church, here, and now that a fine large church is to be constructed the success of the undertaking is almost assured. The combined membership

of the two Methodist churches would make a strong organization. The members of both churches are working hard to secure a union.

At the residence of the bride, at Thelma, near Paintsville, Mr. Will Hatcher, of Pikeville was united in marriage to Miss Maude Spencer, the charming daughter of Mr. and Mrs. T. J. Spencer, at three o'clock Saturday afternoon. Only immediate relatives were present.

The bride is a young lady of sterling worth who has wisely and discreetly improved the opportunities of life and is well fitted to be a companion and helpmate that will help make life's journey one of sunshine and happiness.

Occupying separate apartments in the county jail with the charge of murder against them Lando Spencer and his wife, Angie Spencer, await the action of the Johnson county grand jury, which convenes here next week. They are charged with putting to death Mrs. Spencer's nine months old baby.

Lando Spencer, a son of Jack Spencer was married to Angie Hobson, near East Point, last January. The bride was then the mother of a new born baby. Lando was not the father of the child and it is alleged did not appreciate its existence in his home. Neighbors began telling all kinds of tales regarding inhuman treatment given the child and finally about three weeks ago Spencer and his wife carried the child to the home of their neighbor, George Conley, in a dying condition. Mr. Conley carried the child into his house and it expired in a few minutes afterward. Because of the talk of the neighborhood, the coroner, Dr. J. H. Holbrook, was notified and the inquest was held over the dead body of the child but evidence was lacking to hold Spencer and his wife on a murder charge. Later on, new evidence was discovered, it is claimed, and this led to the arrest of Spencer and his wife on a charge of murder. They were brought here and placed in jail and a few days later at the examining trial the right to examination was waived and they went to jail without bail having been allowed them.

Spencer and his wife have resided at Hendlip, near Paintsville, for some time. Spencer is a laborer and until arrested on this charge had always borne a good reputation. He is about 22 years of age. Mrs. Spencer is 19 years of age and does not seem to realize the gravity of the charge against her.

## GARDEN REPARTEE.

"My eyes," said the potato, "but this is poor soil for a garden."  
"That's right," said the onion. "I don't get along worth a cent, and I'm losing strength every day."  
"I'm going to leave," said the cabbage. "I'll never be able to get a head here."  
"This spot isn't fit for a berrying ground," said the strawberry. "But here comes the sun and we'll all have to dry up."

A tribute to the Morehead Mountaineer:  
"Maude Scott returned to her home in Olive Hill Tuesday.  
We are sorry to lose Maude."

"The best way to manage a poultry business is to begin with a few hens; keep strict account, and if they are paying well increase by degrees."—Somerset Journal.

Nothing but hens?  
Recently in digging near the famous Blue Lick Spring in Nicholas county, this State, some huge bones of the mastodon were found. The color of the water will convince anyone that there was something dead not far from the spring.

## Resolutions In Memory of John W. Jones.

Apperson Lodge No. 195, F. and A. M., Louisa, Ky.

At low twelve, Oct. 26, 1908, the spirit of our beloved brother, John W. Jones, winged its flight to its eternal reward. After long suffering he has entered into that peaceful rest prepared by the Great Architect of the universe for all those who love Him and keep His commandments.

Brother Jones was a Free and Accepted Mason and a christian gentleman who always loved to live up to the teachings of the scriptures and secrets of Free Masonry. As Master, Warden or Secretary he was punctual, ready and willing to do his duty. He had been Secretary of our lodge several years and his familiar figure will be missed from the desk and his place will be hard to fill.

Resolved, That while we humbly bow in submission to the Divine will, we deeply feel the loss our lodge has sustained in the bereavement, yet we are comforted in the belief that our loss is his gain.

Resolved that we tender to the relatives and friends of our departed brother our heartfelt sympathy for their great loss, and earnestly commend them to the care of God who alone can give comfort in time of trouble and has promised to be an ever present help to those who trust Him.

Resolved that a copy of these resolutions be sent to the family of our deceased brother, and one to the Big Sandy News and the Louisa Courier for publication, and that we place upon a page set apart in our record book this testimony of our sense of loss and our love for him as a recognition of his worth and many virtues.

That the members of Apperson lodge are requested to wear the usual badge of mourning for thirty days.

Fraternal submitted Nov. 2, 08.

## CONLEY'S STORE.

## Watch Repairing.

If your watch is worth repairing at all it should be done right. The prices charged by competent and bot workmen are about the same. Often the skilled watchmaker will charge less, because he can tell what is to be done and is not making a wild guess. More watches are ruined by fellows who are trying to learn this delicate and scientific trade by practicing on the public's timepieces than ever wear out or are broken in any other way.  
C. A. Benn at Conley's store, served a full apprenticeship at the trade and has had 42 years of experience. He also does all kinds of jewelry repairing and engraving. All work guaranteed by a good guarantee.

## A Farm Wanted.

I have an inquiry for a good farm having a comfortable residence and good orchard on it. Would prefer quality rather than quantity. Those having farms for sale will do well to write me at once, giving full description, price, number of acres level, kind of house, and all particulars that would interest a buyer. Prefer a place within easy reach of Louisa.
